IEEE IATMSI 2026

SIMULATION EXCELLENCE AWARD

IEEE ELECTRONICS PACKAGING SOCIETY

MTT-S — IEEE MICROWAVE THEORY & TECHNOLOGY SOCIETY

The Simulation Excellence Award is instituted to recognize outstanding simulation-based research work presented at IEEE IATMSI 2026. This award aims to encourage high-quality simulation methodologies, modelling accuracy, validation standards, and innovation in computational research across all domains covered by the conference.

WHO CAN PARTICIPATE?

- Any author of a submitted or accepted paper in IEEE IATMSI 2026 is eligible.
- Both students and professionals (academia or industry) may apply.
- Single author or team of authors (as per paper authorship) can participate.
- Simulation work must be directly related to the paper submitted to IATMSI 2026.
- Paper must be submitted/accepted to IEEE IATMSI 2026.
- Applicants must showcase their simulation during the conference (live/demo/video).
- A NOC from the Supervisor / HOD shall be uploaded along with the award application form (mandatory for student applicants).
- Simulation must be original and developed by the authors.
- Multiple authors of the same paper may apply jointly (only one award per paper).

IMPORTANT DATES

- Last date of Registration: 20th Feb 2026 (Firm deadline, no further extension)
- Date of Simulation Showcase: 13th March 2026. Presentation at IEEE IATMSI 2026 at ABV-IIITM Gwalior, India. 15-minute in-person oral presentation at the conference venue.
- Announcement of Award Winners: 14th March 2026 (In the Valedictory Ceremony of the Conference)
